Mich,
 Well, English
 was an experience.
 I won't say it was
 fun, but... I hope
 you do good in
 school and have
 alot of fun! Maybe
 I'll get a chance to
 see you next year
 be good.

Don't blow up any more
 during O.K. Hope we meet
 during college breaks this next
 school year.

Dear Mich, "Mac-Chelly"
 Ever since we went
 to France together we've
 seen great friends (I
 think.) You're really a
 sweet person and I
 hope that we can al
 ways keep in touch.
 Don't forget Forensics +
 Minneapoli. Do Sept
 each other company. I
 hope you can find a lot
 easier by
 campus than with me
 around just driving in
 circles! I'm sure you'll
 have a terrific time
 at school next year.
 Make sure to find
 out where the Iron
 Bird Bar is so
 that we can
 go there when
 I visit you!

Mich,
 I would have starved with
 out you and your Harder tries.
 You were a terrific director and a
 great friend. Kat, drink Dr. Pepper,
 and be Merry.

Harder → P.S. I'll miss you
 in choir. (Bet
 you over come
 about graduation.)

Good Luck in
 everything you
 do in the future
 Mich! Maybe
 we'll even meet
 in France or
 Spain someday.
 Sometime when
 I have an over
 seas fashion
 convention I'll
 hire you as an
 interpreter.

See you
 this summer.
 Love,
 Berta

On that and making all those
 connections in Elos room will be
 something I will never forget.
 That poisonous gas I recently
 made was horrible. Good old Chemistry.
 English let II was fun. all those crazy
 stories with very unusual people in them like
 Miss Havisham living in her big dark house.
 Crazy!!! I hope I see you this summer since
 we are almost neighbors. I hope we can keep in touch.
 Have fun in college. Love Vicky Doss

Michele (ma belle)

you have really been someone or should say something to renew. I think we got to get to know each other in French or we probably would have not had as much fun in other classes. You have especially been interesting this last yr. like in "Birdie". Best wishes for you & your future. Hope to see you sometime maybe with Gaxte or following Pam Hanson (raw eggs) love,

Dear Michele,
 Can't believe the time has come for us to make our special walk across the stage. We have been such good friends over the years. Remember how Mr. Proctor had to tell you to talk louder in 7th grade math class. Boy was he funny. Now we are in Chemistry and have a teacher that says ON THAT every two seconds. Boy I don't know. I'll never forget the day we went swimming by IGA in your car. At least we made it through Chemistry - It could of been worse. Remember Rick + his yawning - Boy was that funny. Choir was fun at times. We talked alot - but that sure beats singing. Have fun at Beloit. Eunice, you, I will have to get together some weekend were at college. Have a terrific summer. A very good friend forever.

Mich (observe - no "t"! Impressive, no?)
 Well, here we are, Seniors at last! Can you quite believe it? I can't! It makes me feel so old! Well, what can I say? I don't feel like I really got to know you until this year. We had some pretty good times together - especially during the play. What would we have done without you - probably starved to death, that's what!!! Thanks for all the "Hardee's calls." We're gonna have to get together this summer before we all leave, okay? Have fun next year at Beloit - I know you will! Take care and good luck always!!

Love,
 Jennifer (Senn, JJ)
 P.S. Pink fluorescent tape does not glow in the dark!!

Mitchelle,
 Even though we didn't always agree, we still had some good discussions. I hope you have a fun + happy life. I'll see you in a minute hopefully. Please stay sweet. I know you'll turn away. See you. Love,

Michelle -
We had at least one class
this year - together. It gave me
a chance to get to know you better.
The year has gone by much to
fast.
Best wishes and may your life
be filled with many years of
happiness and success.

Love
Dad

Michelle,
 I was a
 pleasure getting to
 know you. You're
 quite a girl. You're
 crazy, funny, funny,
 and sweet all at
 the same time. You
 can really brighten
 someone's day just
 by going up them.
 Life outside of
 Sr. High will be
 quite a challenge,
 and I know you
 can handle it. Just
 be as optimistic as
 possible and ~~remember~~
 remember that happi-
 ness is what you
 put into it.

There has been so much to our friend-ship starting with Mrs. Mavis class all the way until now and hopefully on into the future. You have been my friend for practically 1/3 of my life - the third that has been most important in molding me into what I am and will probably always be. I could not have been the same without you. When you criticized me and my ways at times, I realize now that when you did that, you made me think. With these new thoughts, I want to make a choice for a decision and not to be totally the fool I might have been. I never felt I was a rebel but I know it was. I try to live myself in life. I know I am the ledge for me. You have put me with both I wish I could say that live alone the same for you. We really be looking forward to our trip to Colorado + the wild West plus any other times we can get together. We always be ready to be help in anyway I can - even from Clinton ing. OUR GETTYSBURG ADDRESS

Three score and seventeen years ago our fathers brought forth in this school a new organization, an athletic team, dedicated to the proposition that all work and no play makes Jack and Jill dull.

Now yearly we engage in great contests testing whether our teams or those of other schools shall be the victors.

It is altogether fitting and proper that we should do this.

Interesting Data

In 1902, after one game, the season was cancelled because the team was behind in their studies.

Baraboo played LaCrosse 8 times losing all eight games by a combined score of 236-7

In 1918, after 2 games, the rest of the season was cancelled because of the flu epidemic.

In 1943, Herb Cady scored 32 points in one game against Portage. (Baraboo 61 - Portage 0)

FOOTBALL '75

It was a great year! The members of this squad of 1975 pulled together and with great team spirit and dedication to excellence made this a memorable experience for the coaching staff.

This squad with a 7-2 record and 4 points away from an undefeated championship should be considered as "champions without title." They played tough when the chips were down and came from behind to win in a number of close contests.

The achievements that were gained by this 1975 team were directly related to the leadership and abilities of the 23 seniors.

Thanks, seniors, for a great coaching experience. Baraboo Senior High School was brought back near the top in football excellence by your efforts and we hope that the underclassmen will continue this idea that "hard work pays off!"

Hundreds of miles of running by a dedicated Cross Country team marked another year of good showing by Mr. Haslanger's crew. The 1975 team placed 2nd in the SCC.

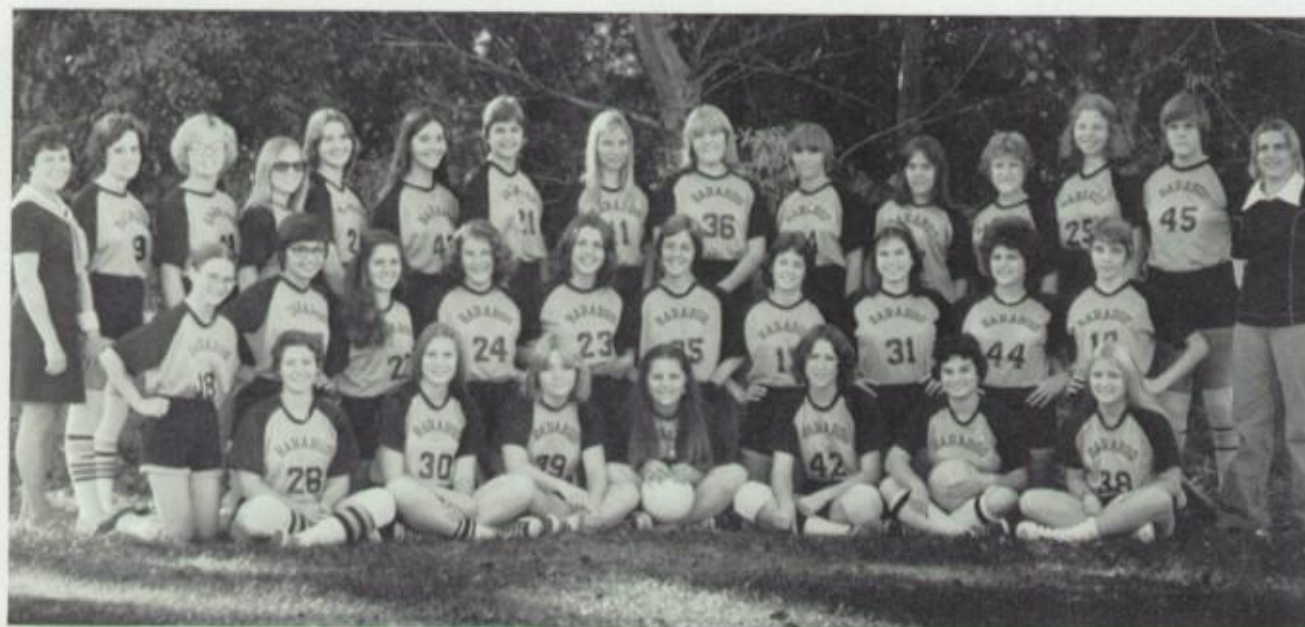

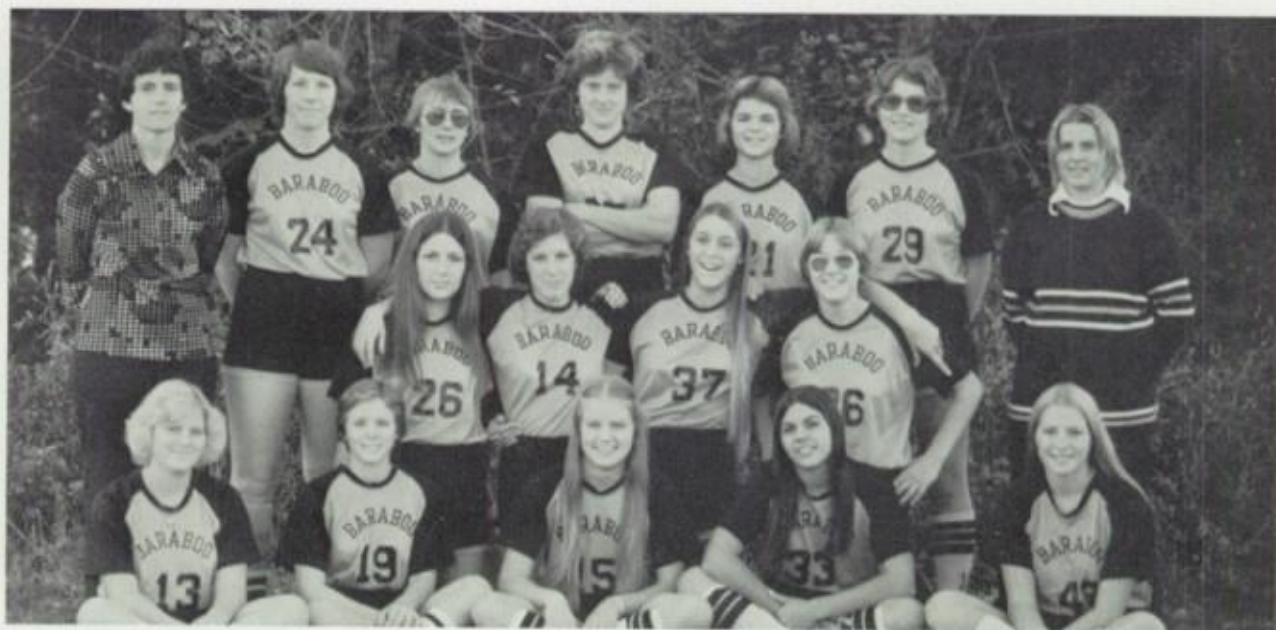

Debbie Vorndran, coached by Miss Simon, and the only girl in SCC to compete in cross-country, placed 7th in a State Meet to bring not only honor to herself but also state recognition to the BHS girls' cross-country program.

Volleyball Has

Volleyball, possibly the fastest growing sport in the Baraboo athletic program, had a fantastic turnout of spikers, both men and women. More than seventy-five applied their skills with the result that both teams had the material available to net far more wins than losses. In fact, the Boys' Varsity swept the SCC series with 12 wins and no losses.

The Golfing Team ... Coach Betty More ... and the Greens. Forever, at least it seemed, Coach Moore waited for the snow to leave and the puddles to dry. Conditions

finally were right and the members began to prepare for SCC Matches. Winning 4th place out of 24 teams in the Sauk Invitational was the big day of the season.

A team trip to LaCrosse was the highlight of an otherwise dismal season. The 1975 Tennis Team produced few victories but hopefully did produce stars for the future. With most members returning for the 1976 season, the team should have many possible winning combinations available.

The 1975 team was young with high hopes and spirit. Such nicknames as "Penguin", "All Right", and "Fish" gave a major league atmosphere to the team all season. Only four seniors were on the team, the majority of the members being juniors.

When the regular season ended, a 5-3 record was good enough for a three-way tie in the SCC Southern Division. When tournaments came, spirit was high, but a squeeze in the second game ended the season abruptly.

The T-Brids went out in class just as they came in with their new and colorful uniforms. Rick "Eddie" Matthews won the award for the most style as player, while Dan Fauska got in the most "criffles" during practice.

Honorable Mention: Cathy Pinion

Mr. Co-ordinator of the Athletic Program - Harry SaLoutos

Intramurals, Boys' Varsity, Girls' Varsity, Boys' JV, Girls' JV, Gymnastics, Volleyball, Basketball, Wrestling - Band Concerts, Play rehearsals - how can all of these activities be programmed into one gym? Mr. SaLoutos, our Athletic Director, has been the miracle man the past two years who has accomplished this feat, only one of the responsibilities of the job.

Why is he willing to submit to such an arduous task? His comments on the importance he accords athletics answers the question for us.

"I feel strongly that athletics is a vital part of Baraboo's educational extra-curricular program. Working with the staff that includes some 26 coaching assignments is a

very rewarding job. The addition of girls' sports to our athletic program was long overdue and I am very pleased with its growth. We have many dedicated coaches that assume their responsible jobs of coaching which includes much time before and beyond the practices and contests.

"Being a part of athletics is most challenging, and I appreciate all the cooperation I receive. The excitement of watching young people be competitive and improve skills and attitudes during their high school athletic years is knowing a value is derived from our efforts. It's great to win! Yet if our teams play by the rules and do their best and yet lose - but *learn something* - then it's not the worst thing that ever happened, as we do lose sometimes in life, too."

The 1976 Proposed Bill of Rights for Students

- I. The teachers shall make no law preventing the free exercise of speech.**
- II. The right of the student to make his way through the halls at any time shall not be infringed.**
- III. No teacher shall be assigned to any student without that student's consent.**
- IV. The right of the student against searches and seizures of his locker shall not not be violated.**
- V. No person except in the presence of his friends shall be interrogated about skipping or committing otherwise infamous crimes, nor shall any student be compelled to answer questions that might incriminate him.**

The Declaration of Independence of the Class of 1976 In Baraboo June 10, 1976

In the course of human events, it becomes necessary for the students of a high school to graduate and to assume the responsibilities of their adult lives. Though we, the class of 1976, will go beyond the ties and experiences of these past twelve years, their "awesome" memories will always remain. Let it be known that we have been a class "armoring" changes and though separated, we will continue to do so.

As a bicentennial class, we, like our forefathers, declare our independence and look toward the future.

Dear Michele,
Can you believe it? We're finally on our way out! At last we're graduating. Doesn't it seem only yesterday when we'd walk to West by the Glee Club. So many things have happened since those days. I can't believe we'll be going our separate ways after all this time. All the rides we've hitched from each other... All the fun times we've had together. I'm really going to miss them, that's for sure. I hope it'll be a LONG time before your folks move because when you come home and get school, I want to see you and get together for a nice gab session. Please, please keep in touch, O.K.!! (We've had plenty of practice!!)
Good luck in Beloit!
(See ya this summer!)
Love,
Amy
Your neighbor

A special thanks to Carol Reid for her artwork on the Senior Declaration of Independence.

MICHELLE,
 I REALLY DON'T
 KNOW WHY I AM
 WRITING IN HERE, SINCE
 YOU STOLE ALL MY
 TEST TUBES. - JUST
 KIDDING. ANYWAY, IT
 WAS A LOT OF FUN IN
 CHEMISTRY "ON THAT."
 GOOD LUCK IN THE
 FUTURE!

Michelle, I'm sorry I
 never got to talk to you
 much this year. You make
 up lots of mem'ries that
 are very dear - The trip,
 & all the helpful advice
 in french. I'll miss
 you lots & I sure hope
 you'll keep in touch
 with me. I'll probably
 see your name in
 some international
 magazine or some-
 thing? I'd... If
 you ever want
 to go to Europe
 for Heaven's sake... I'll
 come. LOVE, TERI

FSC Members, K. Hatzinger, T. Reck, and B. Topham, help at the annual Spaghetti Dinner served at the Red Wagon, February 25-26, to raise money for bringing a foreign student to Baraboo for the 1976-77 school year.

Baraboo Goes Big Time with a Weatherproof Press Box!

Ron Brayer (window) and Dart Drake have teamed up to take many pictures during the '75-'76 school year. Brayer used this farmhouse for a majority of his outdoor Senior pictures for the Class of '76.

Meet Richard Maciejewski, our good friend from the *Baraboo News Republic*.

THANKS

Thank you, Brayer-Drake Studio and Richard Maciejewski, for all the helpful photographs; and also thank you, June Hohl, Gail Capener, and Sandy Fenske for all the time you put in typing for us.

Thank you, Marie May, for the bicentennial cover you designed for the *Minnewaukan*.

Also thanks, Kevin Block, for staying after school till all hours of the night developing film and making prints.

To the staff in general, what can I say? You have all been great. I really appreciate the effort that you beginners put in and the help that you veterans gave.

Carrie Medina, Editor

Kevin Block at Photographers' Clinic, U.W. Eau Claire, practices the art of print making.

Michelle,

How's my favorite maid of honor? - Now don't take that the wrong way! It will be quite a while yet - like several years!!!!

Anyhow, now that I've stuck my foot in my mouth for good, I hope no uncertain people take offense at the above sentence. No names mentioned!

Now, let's start all over. Since you have been my best friend for six years you think I'd be able to say things without bad connotations. "Ouch!"

(going back) I'm sorry I missed the French trip - it would have been fun. Remember picking the frogs as sophomores.

and Bucky and Doug #1? Not much happened junior year - but remember Rick and Ted? + I'm the am?

And then you have our senior year with the retarded

street and stormcoming. And then there was work - "You're a Waiter"! - "I'm a Singer". I'm retarded

basketball games that no one watched because it was too boring and there were better things to do like talk.

And we had the cheer team - strange? Too bad you got sick on the bus, you didn't know much though. Mr. Duvina Allen is not going to have any of us to yell at next year - awww.

Bye, Bye Bindi - 11:30 practice, starting shower

late, make-up, "Be quite backstage!", "We love you Conrad" fluorescent tape?

Weir been through quite a lot together - never forget it! You'll have to come over this summer and have more strange dreams - Red, covered, velvet? + the F.B.I. Don't ever hear touch with me. A. okay.

Of you ever get back east, I hope things go well with you. Good luck in the future!

Love, (Ted, EKO, Rums, Katie) + Margie

Mich Darling,
Too bad I never got to
see you in your great pageant.
Somehow it doesn't seem right
that we should start to get
to know each other our
last year in high school.
You were a Blast in the
play. What would I do without
you to get my clothes on me.
Try not to forget me. (How could you?)
Signed
Sarah "Rose" CANEPA

be here next year

leaves for school. Keep in touch
Good luck in the future.

MICHELLE,

we will survive.
Maybe we'll even
learn a few things.
Choir has also been
a great help. But that's

Michelle,
I really had fun
with you all year. I really
admire you for all the
responsibility you un-
dertake. I enjoyed work-
ing with you this winter and
at Beloit. It sounds like a ball.
I'm sure you'll be glad to
have a change of pace. Please
keep in touch. I'm really so
glad I got to know you. But
I still don't know a Taggenberg
from an Alp.

Well bookkeeping

So was choir. Why

boring classes
